Cross Country

Congratulations! Zak will represent Victoria at the National Championships in Adelaide in August.

“Remember all fundraising goes towards purchasing new equipment for our Centre which will benefit our kids”!

Victorian Primary School State Cross Country

A few athletes from our Centre represented their schools at the recent Victorian Primary School State Cross Country Championships held at Bundoora Park on Thursday 16th June.

The qualification process to reach this event is very challenging.

It usually commences with a run at your local school,. From here you then run at District Cross Country with the first 10 progressing to Zones. At Zones the first 3 in each age group progress

to the A race at States and positions 4th to 6th progress to a B race at States.

The competition at School Cross Country is usually tougher than the competition at Little Aths. There are large fields of around 100 per race.

The course at Bundoora is very challenging and this year the weather did its bit by adding to the difficulty—a howling cold wind and rain.

Congratulations to Laura Chesney, Renee Doggett, Rochelle Holland and Zak Patterson for making it through to States.

(One of the Boonjtes boys was also spotted running—a member of our Centre—but does not compete at our Cross Country season).

Final results are not yet available.

Fantastic race by Zak in finishing 2nd and gaining selection to the Victorian team.

Fundraising Efforts

We have a dedicated team of people feverishly working away at raising money for our Centre.

Our Centre is currently working towards raising enough money to purchase electronic timing for our Sprint Track.

We are well on our way to raising the required money and we appreciate your continued sup-

port in this endeavour.

Remember these funds are for the kids.

Everything helps— buying a magnificent sausage or egg & bacon sandwich at one of our many BBQ's, buying a raffle ticket or attending out trivia night.

We have many more initiatives

planned for the future.

We will keep members updated as to how we are tracking in reaching our target.

Many thanks to the businesses and individuals who have pledged or given donations for our Trivia Night—they will all be recognized formally once everything is finalised.

Trivia Night

The gala event of the year is fast approaching.

When : 20th August

Time : Doors Open 7.00pm

Starts at 7.30pm

Where : Mt Evelyn Hall (next door to the Fish Palace— Birmingham Road)

The competition will be fierce.

Many teams are currently “hitting the books” and watching Quiz shows as preparation for winning the hotly contested title of Champion Table.

Please see Sue Owens to finalise payment for your Table.

Tables are to have a maximum of 10 people.

Remember to bring plenty of GOLD coins on the night.

This is a major fundraiser for our Centre.

Any Donations welcome!

Anyone interested please see Sue Owens.

Raffle Tickets

We are holding a major raffle to be drawn at the Trivia Night.

There are some fantastic prizes on offer.

Sue Owens has worked hard in coming up with these prizes so let's all get behind it and sell as many tickets as we can.

Sales have been slow to date.

We only have 200 tickets to sell.

There is a 1 in 65 chance of winning a prize.

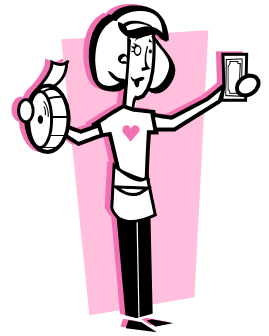

Great odds!!

The usual odds of winning a raffle are a lot higher—sometimes 1,000 or 2,000 to 1 (about the same chance Carlton has of winning the Flag)

Once again—all profits from the raffle go towards our Fundraising efforts and ultimately Electronic timing for the kids.

Buy one today or sell some to your friends and relatives.

Be quick!!!

Open Days

Various Centres hold Open Days.

The following is a list of the remaining Open Days in our Region.

Why not get a team together.
